

When a user opens the software, they will see this page if they haven't logged in yet. Users can choose to enter their username and password to log in, or they can choose to register as a new user.

The image shows a mobile app interface for 'ShareCycle'. At the top, there's a status bar with the time '9:11' and signal/battery icons. Below it is a header with 'ShareCycle' and a close button. The main content area features a circular logo with four colored squares (blue, red, yellow, green) and arrows forming a cycle. Below the logo, the text 'TEAM X- MEN' is displayed. There are two input fields: 'username:' with the value 'jason123' and 'password:' with masked characters '\*\*\*\*\*'. Below these fields are two buttons: 'Log in' with a right arrow icon and 'Register' with a circular 'R' icon.

### *Welcome Page*

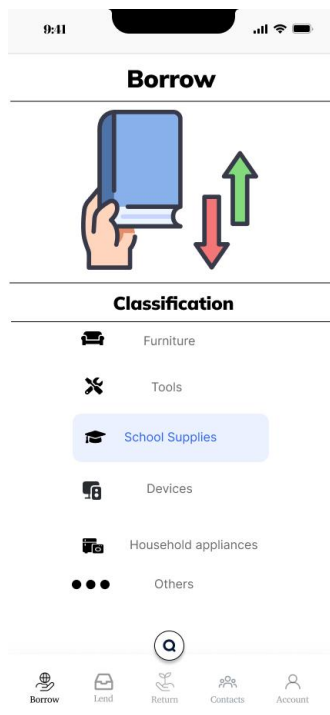

This is the registration page, where users need to enter their username, validate their registration with an email address having the "northeastern.edu" suffix, and provide password information to complete the registration.

The image shows a mobile app interface for 'ShareCycle' with the title 'Registration'. It has the same status bar and header as the login screen. The main content area contains four input fields: 'username\*:' with the value 'Jason123', 'Email\*' with the value 'abc@northeastern.edu', 'password\*:' with masked characters '\*\*\*\*\*', and 'confirm password\*:' with masked characters '\*\*\*\*\*'. Below these fields is a single button labeled 'submit'.

### *Registration Page*

When a user selects the "borrow" feature from the bottom navigation bar, they will arrive at this page. Users can choose the item they want to borrow based on different categories listed under "classification".

### *Borrow Page*

This is the page displayed when a user selects a specific category. Users can search for a specific item or click the "location" button to choose the location where user wants to borrow.

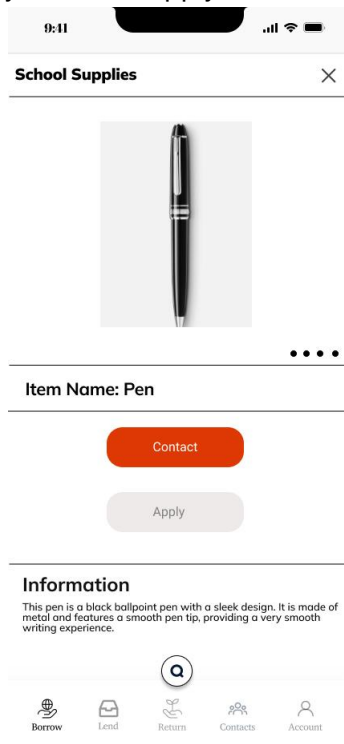

### *Item list Page*

Since this software is currently limited to Northeastern University's Seattle campus, users can only choose one of the two academic buildings. They select one of the addresses as the location for searching items.

### *Location page*

This is the item details content page, which provides the item's image and related information description. Users can click the 'Contact' button to get in touch with the item's owner and subsequently click the 'Apply' button to attempt to borrow the item.

### *Item Information Page*

After user clicks on the apply button, user can fill the information to access the item. User needs to fill the information include the name of the applicant, meeting address, the email and contact phone of the applicant.
